

The Counting Song

Ron Glaser & Roman Leon Weiss

I can count- yes I can!
Listen to me, then count again.

I can count- yes I can!
Listen to me, then count again:

One, two, three, four, five -
Now you: (---time to repeat---)
Again: One, two, three, four, five -
Now you: (---time to repeat---)

I can count- yes I can!
Listen to me, then count to ten.

I can count- yes I can!
Listen to me, then count to ten:

Six, seven, eight, nine, ten!
Now you: (---time to repeat---)
Again: Six, seven, eight, nine, ten!
Now you: (---time to repeat---)

We can count- yes we can!
Put it all together and do it again!
We can count- yes we can!
Put it all together and do it again!

One, two, three, four, five, six, seven, eight, nine, ten!
One, two, three, four, five, six, seven, eight, nine, ten!

The Colour Song

Ron Glaser & Roman Leon Weiss

Blue is my shoe, red is my head,
green is my bean, my cello is yellow
and so are you!

Orange and brown and black is my backpack,
white, pink and purple is my cute, little turtle.

BUT:

Blue is my shoe, red is my head,
green is my bean, my cello is yellow
and so are you!

The Body Song

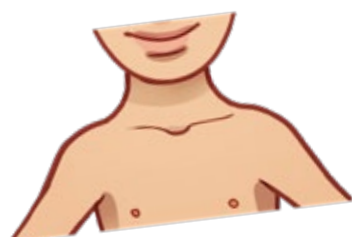

Ron Glaser & Roman Leon Weiss

I have one head, oh, oh, ohhh,
two eyes and ears, oh, oh, ohhh,
one nose and mouth, oh, oh, ohhh,
I like them so, I like them so!

I have two shoulders, oh, oh, ohhh,
two arms and hands, oh, oh, ohhh,
two legs and feet, oh, oh, ohhh,

that's what I know

that's what I know!

(Repeat 2x)

Twenty Is a Number

Ron Glaser & Roman Leon Weiss

$$11 = 10 + 1$$

Eleven is ten plus one,
come on and sing this song!
Twelve is ten plus two,
easy we can do!

$$12 = 10 + 2$$

Thirteen is ten plus three,
come on and dance with me!

$$13 = 10 + 3$$

Refrain:

Twenty is a number, made of two times ten.
Shout out loud, dance around,
count it right and sing!

$$14 = 10 + 4$$

Fourteen is ten plus four,
come on, give me some more!

$$20 = 10 \cdot 2$$

Fifteen is ten plus five,
I know how to jive!

Sixteen is ten plus six,
come on and eat with sticks!

Refrain

Seventeen, eighteen, nineteen,
twenty we go for! Oh yeah!
We are counting rock stars,
we don't need no more!

$$16 = 10 + 6$$

$$15 = 10 + 5$$

Your Body Is Great

Ron Glaser & Roman Leon Weiss

Tap your foot, foot, foot,
raise your arm, arm, arm,
touch your head, head, head
and shake your hips!

Refrain: Your body is great, from head to toe,
it can stand up, sit down and bend low.
Your shoulders and neck sit on your back, oh yeah, oh
yeah!
Got ten fingers, I got ten toes, two eyes, two ears and
a nose.

Close your eyes, eyes, eyes,
open your mouth, mouth, mouth,
touch your nose, nose, nose
and shake your hips!

Refrain

Shake your legs, legs, legs,
wiggle your ears, ears, ears,
touch your hair, hair, hair
and shake your hips!

Cool Clothes

Ron Glaser & Roman Leon Weiss

Shorts are short, trousers are long,
that's why I sing this song!

I wear a blue sweater, looking good,
put a black jacket on, get in the mood!

Refrain: Cool clothes is all that I wear,
I got such cool clothes!

I wear jeans, shoes and a shirt,
I wear yellow socks and a skirt.

I am wearing a cap and some gloves,
pink glasses go with my scarf.

Shoes or boots, is what I decide,
whatever it is- I wear it with pride!

Refrain

Purple are my leggings, my dress is red,
put underwear on, wear a cool hat!

Jacket or a coat, is what I decide,
whatever it is- I wear it with pride!

Refrain (2x)

Colours Rock My World

Ron Glaser & Roman Leon Weiss

Refrain: Colours oh yeah,
colours oh yeah,
let's count: one, two, three
and find some colours with me,
and find some colours with me!

I am ready, you are ready,
blue is what we look for,
one, two, three, four, five- times blue,
green, red and yellow too,
green, red and yellow too!

Refrain

I am ready, you are ready,
purple is the thing,
one, two, three, four, five, six, seven,
let's find orange and pink clouds in heaven.

Refrain

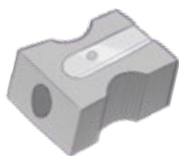

I am ready, you are ready,
we see black and white,
five, six, seven, eight, nine, ten,
brown is gone and so is Sam!

Classroom Rock

Ron Glaser & Roman Leon Weiss

We are happy pupils,
girls and boys as well,
schoolbags on our shoulders,
sing along with us:

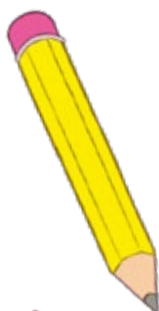

Refrain: Our classroom got big windows,
a green blackboard on the wall,
we got desks and chairs and pencils
and a teacher, who is cool!

We are happy pupils,
using scissors, glue and books,
watercolours, brush and paper,
sing along with us:

Refrain: Our classroom got big windows,
a green blackboard on the wall,
we got desks and chairs and pencils
and a teacher, who is cool!

We are happy pupils,
using ruler, rubber and more,
the clock strikes twelve, we can go,
good- bye and close the door!

Feelings Are Ok

Ron Glaser & Roman Leon Weiss

Everybody's got them,
every boy and every girl,
feelings are emotions,
this is what I mean:

Refrain: Feelings, I got all these feelings
and I know these feelings are okay!
So I smile, when I am happy
and I cry, when I'm sad.

Sometimes I am angry,
sometimes I am bored,
proud, ashamed or silly,
every feeling's got a word.

Refrain: Feelings, I got all these feelings
and I know these feelings are okay!
So I smile, when I am happy
and I cry, when I'm sad.

Sometimes I'm sick and tired,
I just wanna stay in bed,
don't be scared of your feelings,
learn to love them instead!

Refrain (2x)

I Love My Family

Ron Glaser & Roman Leon Weiss

Grandma and grandpa are old, but they are fun!
Aunt Mary is thirty and, she loves uncle Ben.
My brother is thirteen, and his name is Sam.
Everyone can see- I love my family!

Refrain: My family is great,
I love my mum and my dad,
sister Annie, brother Sam and baby Sue-
I love them too! (2x)

Grandma and grandpa, oh I love them so!
Aunt Sara is twenty- one and she loves uncle John.
My sister Annie is fifteen and swings along:
everyone can see- I love my family!

Refrain: My family is great,
I love my mum and my dad,
sister Annie, brother Sam and baby Sue-
I love them too! (2x)

Grandma and grandpa are old, but they are fun!
They are the parents of my lovely mum,
everyone can see- I love my family,
everyone can see- I love my family!

Silly Food Punch

Ron Glaser & Roman Leon Weiss

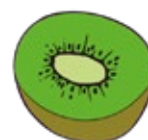

I go in the bathroom,
open up the fridge,
I see chicken, cake and mushrooms,
I go in the bathroom,
open up the fridge,
put some apples on the stove.

Refrain: Food punch, is what we do today,
the food punch, the silly food punch, Baby!
Food punch, is what we do today,
the food punch, the silly food punch, Baby!

The lemonade tastes like spinach with pasta,
so I drink apple juice from the sink,
my bed is full of pizza,
I put cheese on top of it.

Refrain: Food punch, is what we do today,
the food punch, the silly food punch, Baby!
Food punch, is what we do today,
the food punch, the silly food punch, Baby!

Oh, the closet is full of hot dogs,
hamburgers and chips on the TV- set,
ham and eggs are in the bathtub,
tomatoes are in the milk.

Refrain: Food punch, is what we do today,
the food punch, the silly food punch, Baby!
Food punch, is what we do today,
the food punch, the silly food punch, Baby!

Time for hobbies

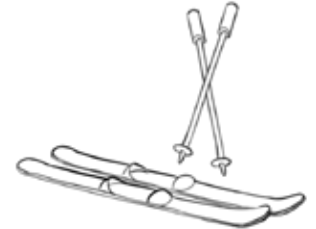

Ron Glaser & Roman Leon Weiss

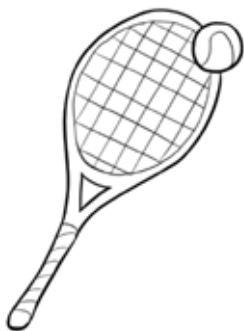

My day is full of hobbies,
whenever I got free time!
At one o'clock I start with running,
playing tennis then at three.
Four o'clock is time for reading,
I like to have time for me!

Refrain: I like playing football,
I like playing basketball.
I like dancing, swimming and skating,
I like dancing, swimming and skating!

Ten to five I play computer games,
then playing volleyball with my friends.
Horse riding is my favourite sport,
playing baseball is so cool!
I like listening to music,
riding my bike to school.

Refrain: I like playing football,
I like playing basketball.
I like dancing, swimming and skating,
I like dancing, swimming and skating!

In winter I go skiing,
ice skating is fun as well!
Sometimes I like playing icehockey,
playing golf is something to do.
My day is full of hobbies,
I would like to do them with you!

Refrain (3x)
