

# Weather Can Make My Day

Ron Glaser & Roman Leon Weiss

Winter can be freezing cold,  
the snow is lying on the ground.  
I can build a snowman,  
uhuhuhh man!

Spring can be warm or cloudy,  
grass is growing, flowers too!  
I can see a butterfly,  
the tree is blooming, my oh my!

Refrain: Oh yes, the weather can make my day,  
because the weather is always ok!

Sunny, rainy, windy, snow-  
I like weather is what I know!

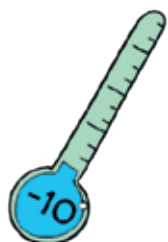

Summer's here, it can be hot,  
I go swimming in my bathing suit.  
I wear flip flops, glasses, cap  
and the trees are green, you wear a hat!

Refrain

Autumn is my favourite,  
it can be rainy, foggy, cold.  
Leaves are falling from the tree,  
that means umbrella and raincoat for me!

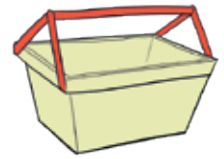

# We Are Crazy For Shopping

Ron Glaser & Roman Leon Weiss

Washing powder, shampoo, soap,  
buy salt and pepper, I was told.  
My shopping list is full of things:  
fish fingers, cheese and drinks.

Refrain: We are crazy for shopping,  
because shopping is fun!  
We go in the supermarket,  
and put all in one basket. (2x)

I take ice cream, pears and carrots,  
toilet paper, sugar too,  
meat and potatoes I put in the trolley,  
it is full, what shall I do?

Refrain

Fruits and veggies, frozen food,  
ham and cucumbers taste so good!  
At the cash desk, we have to pay,  
the shop assistant shouts: hooray!

Refrain

The shelves are empty,  
did I buy it all?  
My bags are full, the bill is long,  
so, I gotta go,  
so, I gotta go!

# Animal Party

Ron Glaser & Roman Leon Weiss

The cat sleeps in the basket,  
the dog eats its bone.  
The parrot looks and shouts loud:  
"the mouse is in the house!"

Refrain: The animals go rockin', go rockin' tonight,  
the rabbit jumps up to the roof, alright!  
The animal party is going on,  
all the different animals are having fun!

The horse dances with the lion,  
the alligator`s in the fish tank.  
The turtle is having a great time,  
the parrot says a rhyme.

Refrain

The eagle looks at the hamster,  
the guinea pig closes the door,  
the elephant is singin' and shouting:  
please don't stop, cause I want more!

Refrain

The house is getting quiet,  
the animals go to sleep,  
the parrot looks and finds out:  
the mouse has left the house!

Refrain

# Locomotion Song

Ron Glaser & Roman Leon Weiss

I can ride my bike, ride my horse, ride the bus,  
I can fly by plane, walk to school- come with us!  
I can run around, jump up high, touch the sky,  
I can drive my car, drive it very far!

Refrain: Let's do some locomotion,  
locomotion, locomotion,

let's do some locomotion, because moving is cool!  
Tell me how you move, how you move,  
how you move, just tell me how you move -  
because moving is fun!

We can ride our bikes, ride our horses, ride the bus,  
we can fly by plane, walk to school - come with us.  
We can run around, jump up high, touch the sky,  
we can drive our cars, but not to Mars!

Refrain

Can you ride your bike, ride a horse, ride the bus?  
You can fly by plane, walk to school - come with us.  
You can run around, jump up high, touch the sky,  
can you drive a car, drive it very far?

# At The Restaurant

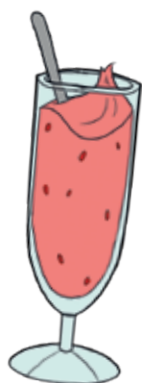

Ron Glaser & Roman Leon Weiss

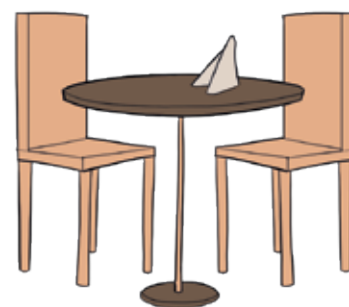

Hello Sir, my name is Peter,  
I'm your waiter for tonight.  
Today's menu is fantastic,  
our Chef's name is Rick.  
You can order any starter,  
chicken soup, garden salad or pie,  
we've got grilled turkey,  
fish or steak for a main course,  
mashed potatoes or veggies on the side.

Refrain: I like going to the restaurant,  
have a chef make me a meal,  
waiters and waitresses bring me good things,  
oh, what a great deal!

What would you like to drink, Sir?  
I would like some water, please.  
I'd take a soup, pasta and some mushrooms,  
strawberry cream is my dessert.  
Was everything alright, Sir?  
Would you like anything more?  
It was delicious, Peter, thank you!  
Goodbye and see you soon!

# Our City

Ron Glaser & Roman Leon Weiss

I'm walking on the sidewalk,  
the street is next to me.  
I'm walking next to the hotel,  
fashion shop and bakery.  
I see(-eee-ee) the candy shop, oh yeah,  
I see(-eee-ee) the zoo in front of me!

Refrain: In the city, the busy city,  
there are lots of people to see.  
In the city, the busy city,  
there's a lot to do for me.

I am walking in the shoe shop,  
the shop assistant looks at me.  
The hospital is full of doctors,  
they send me to the pharmacy!  
I see(-eee-ee) the traffic light, oh yeah,  
I see(-eee-ee) a bank in front of me!

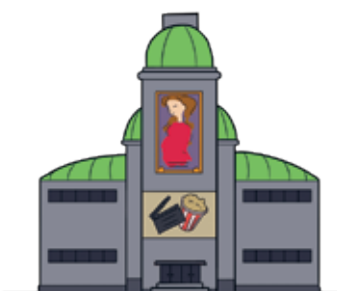

Refrain

I'm walking to the bus stop,  
the bus driver waits for me.  
We go past the supermarket,  
in the cinema I watch a movie.

Shop assistant, priest and baker, teacher, clerk and me,  
we are all part of our hood, this is our city!

# Farmer's Boogie

Ron Glaser & Roman Leon Weiss

I know a farmer, his name is Ben,  
he works on his farm, whenever he can.

His stable is big, big, big,  
it fits twenty cows, fifteen calves and a pig.

I know a farmer, he's got chicken and a cock,  
his pigs love the mud, he feeds at three o'clock.

Ben's sheep give him wool,  
and in his garden, he has a pool.

Refrain: Farmer Ben is cool, he likes Rock 'n' Roll,  
he has a pitchfork, for his hard work.

His chicken lay eggs and goats eat grass,  
he's got a wheat field and piglets, oh yeah.

I know a farmer, around his meadow is a fence,  
sometimes his crazy donkey likes to dance.

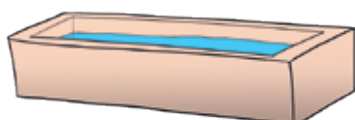

His calves drink milk, milk, milk,  
and when his cows sings, she says "moo".

Refrain

I know a farmer, a fly sits on his head,  
after driving his tractor, he likes to go to bed.

The sheep bleat "blaa, blaa, blaa",  
and the goat sings along with a simple "naa".

Refrain (2x)

# Bathroom Dance

Ron Glaser & Roman Leon Weiss

Everyone has many things to do,  
the bathroom is used by me and you!  
Every morning after I get up,  
I take a bath in my bathtub.

The blow-dryer is used to dry your hair,  
if you put it on, it blows out air.  
A towel is used to dry your body and more,  
make sure, you washed yourself before.

Refrain: Brushing, brushing, washing,  
washing, drying, and more,  
if you sit on the toilet, please close the door.  
Take a shower, shower, or take a bath, bath,  
for your teeth use toothpaste and brush!

Men shave their beards, barely put make up on,  
put clothes in the washer and sing this song.  
We can put clothes on and wash our hands,  
brush our hair and do the bathroom dance.

Refrain

Sink and tap, shower too,  
the bathroom is used by me and you!  
We like to be clean, showered and washed,  
we never leave the house without the teeth brushed.

Ron Glaser & Roman Leon Weiss

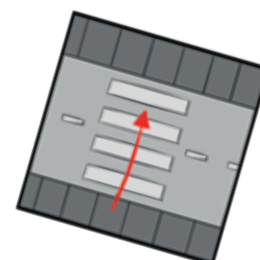

Picture the city, I tell you about,  
find your way, let's go out!  
At the railway station we go right,  
take a left turn at the traffic light.

just turn left, left, left at the restaurant.  
Go straight and cross the street,  
in my city, you'll find everything you need.

the museum we look for is on the left side.  
Between baker and butcher, the hotel you will find,  
we can go to the cinema, if you don't mind.

behind it you will find the swimming pool.  
Cross the bridge, the bank and the park,  
the candy shop is on the end of the sidewalk.
